

ACQUISITIONS SOUGHT

Plant, Building, and Equipment Maintenance Company

EGL's well established and profitable client is seeking to acquire a major controlling interest in a plant, building, and equipment maintenance company (could be privately held company or corporate spin off) operating in the following sectors:

- A. Industrial process cleaning in the Food, Healthcare, Petrochemical, or Wastewater Treatment industries
- B. Industrial / Commercial HVAC service company with a focus on maintenance
- C. MEP -- mechanical, electrical and plumbing services (focus on maintenance)

Other key features:

- 1. Location -- Domestic USA, except California
- 2. Revenue Range \$10 million to \$20 million p.a.
- 3. Profitable with reasonable Gross Margins.
- 4. Meaningful sales volume per customer, with good customer longevity.
- 5. Strong Management team

Note: EGL compensation is paid by it's client
