

## Purple Cows Secures Private Placement of Capital

Purple Cows was started Fall 2005 by Rick Tremmel and his two German partners: Bernd Loibl, and Stefan Vocke. as an effort to bring European office technology to scrapbooking and digital photography in the US.

Purple Cows is dedicated to designing remarkable tools for scrapbookers, digital photographers, and other crafters. Design teams from all over the world work with enthusiasts and manufacturing experts to bring unique products of exceptional quality to consumers at the lowest possible prices.
